Most Preferred Destination for Quality Education in INDIA

We are here. . . . where are you. . . ?

Study in INDIA

India is the second largest higher education centre and studying in India will surely be an enriching experience. Not only is the cost of studying in Indian universities, but the quality of education is also known globally....

- India is the world's largest democracy and 7th largest country in Geographical area.
- India is the world's 2nd largest English speaking country.
- With English as the medium of instruction, Indian colleges and institutes are globally recognised.

This is what makes them worth it when it comes to pursuing higher degree and/or diploma courses. India offers a wide range of courses in the field of medicine, management, architecture, engineering, social science, fine arts, science, etc.

Andhra Pradesh:

- Facts About Andhra Pradesh – Andhra Pradesh is a state bordering India's south - eastern coast. Amaravati is the proposed riverfront capital city of the Indian state of Andhra Pradesh. The new capital is named after the historic site of Amaravathi, known as a centre of Buddhist culture that flourished from 400 BC to 1100 AD. It is located on the southern banks of the River Krishna in Guntur and Krishna districts.
- The foundation stone of the planned Capital city was laid at Uddandarayunipalem village of Guntur district by Hon'ble Prime Minister Sri. Narendra Modi on 22 October 2015. The cities of Guntur and Vijayawada are the major suburbs of the capital.
- The history of African Cavalry in India can be traced to the 15th and 16th centuries, when they served in armies of the Bengal Sultanate, in the Deccan Plateau, and in the Gujarat Sultanate. Several Africans from places such as Bombay migrated to Hyderabad in 1863 as the Nizam, or ruler of Hyderabad, established a Cavalry Guard by recruiting Africans. Africans and Afro-Indian continued to serve as guards in the African regiment of the ruler of the princely state of Hyderabad till India's independence, in 1947. The Nizam had allocated barracks for his African guards outside the city and most of them continue to reside in this locality. In the present, the African descent community in Hyderabad is a minority group living in the African Cavalry Guard neighborhood of Hyderabad. The Afro-Indian community of Hyderabad are more educated and better placed with men holding government jobs.

Kakinada:

- The economy of the city depends mainly on agriculture, fishing and industrial sectors. paddy, coconut and agro products. The majority of the industrial sector is covered edible oil refineries, fertilizers and natural gas.

Kakinada Port: Hope Island, about 5 kilometres (3.1 mi) from the coast

Kakinada's principal exports include seafood (Prawns, Shrimp, Fish) and related products, agricultural products (including rice and corn, oilmeals, processed food products, chemicals, iron ore, bauxite powder and biofuel. Imports include chemicals, edible oils and agricultural products (including wheat and sugar).

Industrial Sector:

A number of industries and edible oil refineries, and serves as a base for thriving oil and gas industry for the state of Andhra Pradesh are established at Kakinada. ONGC India - Kakinada office, Edible oil refineries and biofuel plants.

Information Technology:

Kakinada is a tier-II city. Software Technology Parks of India (STPI) established a facility here in 2007. Since then, several IT companies have come up in the city, mainly due to its educated workforce available in the city.

Resources:

Power generation: There are several power plants in and around Kakinada.

Natural gas and petroleum: Kakinada is the base for Oil and Natural Gas Corporation's Eastern Offshore Asset. Several oil companies use Kakinada for oil and gasoline shipments.

About Aditya

- Students from 17 states across India & 15 foreign countries, 900+ International students
- Aditya Engineering College, Autonomous status by UGC, accredited by NBA & NAAC with A Grade.
- Aditya Engineering Colleges and Aditya Degree College - Accredited by NAAC
- Aditya Engineering College and Aditya Global Business School Rated as "SILVER" by AICTE for best industry linked institution under CII. Only colleges achieved this in district level. • Recognized by UGC under sections 2(f) & 12(B).
- Aditya Engineering Colleges - Recognized by JNTUK, Affiliating University as "Research Centers"
- 90 Ph. Ds, 100+ Research Scholars, 25 Patents & 600+ National/International Research Publications
- Grade "A" Rated by Govt. of AP, An ISO 9001-2015 certified institutions
- Recognized by Scientific and Industrial Research Organizations (SIROs) Govt. of India.
- Incubation Centre Campus & only campus in the state received financial Assistance from Govt. of India.
- Aditya was sanctioned Rs. 7.52 Crores by Govt. of India for Project implementation of to make Export quality Coir Products through technology Development • Honoured with Best Placement Award by Chief Minister of AP.
- Infosys Campus Connect Institutions • NASCOM certification training program Campus,
- Collaboration with Co-cubes and AMCAT for Scientific Assessment of Students
- Nodal center for Indian School of Business (ISB) and AP Information Tech. Academy (APITA)
- Only colleges in AP received Best Performance Award from Tech Mahindra for its outstanding achievement in campus placements. • Special CRT Training with 30 experienced faculty form first year
- For 2018-19 academic year, provided 8138 campus placements in 131 corporate companies
- Aditya Pharmacy Colleges Secured prestigious ranks in GPAT, NIPER and PGECET
- Aditya Global Business School, recipient of ASSOCHAMS' Most upcoming B-School in India
- Received 13 Pratibha Awards out of 21 by Govt. of AP in District Level
- The students of Aditya Engineering College got 1st PRIZE in AICTE Chhatra Viswakarma student research awards at all India level in Water and Irrigation Category and received award from Hon'ble Vice president of India.
- MOU with Educational Consultants India Ltd., (EdCIL) and MOUs with 4 foreign universities
- MOU with CL Educate to increase the research development activities in ADITYA students
- On campus hostels for Boys and Girls with good infrastructure facilities • Own transportation facility with 300+ buses.
- In association with APSSDC, Indo European Skilling Centers for Mechatronics and Industrial Robotics has established Applied Robo Controlled Lab (ARC) at Aditya Engineering Colleges campus.
- Siemens Centre of Excellence Campus. SIEMENS established 7 excellent engineering labs by incurring Rs. 12 crores for improving skill based training in the students of Aditya. The only one campus received such huge amount by SIEMENS through APSSDC in the district
- CM Centre of Excellence Campus. APSSDC with the collaboration of Dassault Systems have established 4 prestigious labs under this program. PMKVY-TI Centre by AICTE. • Fellowship program with Stanford University, California, USA
- India's first Microsoft Ed-vantage Platinum Campus , Microsoft Innovation Centre campus.
- Recognized by Computer Society of India (CSI) as Best Accredited Student Branch
- NPTEL Best Local Chapter Award with AA Grade and stood 39th position in India and 7th position in AP
- MOUs with CISCO Net Working Academy, SAP, ORACLE Academy, Dell EMC, Red Hat Academy, VMware IT Academy, Hacker Rank, Comp Tia, SAK Robotix Lab, ARM University, GIT Hub, Ui Path and more under Aditya's Technical HUB.
- Student Start-ups Campus & specially appreciated the students of Start-ups by Chief Minister of AP
- Received Gold medal from Governor of AP (through Red Cross) for conducting Blood Donation camps every year & highest No. of students donated blood in a single phase (2541 Students) in 2017-18 • Strong Network of ALUMNI
- 100% Wi-Fi Campus, 100% Surveillance Campus under CC Cameras and on campus Bank with 6 ATMs.

ACCOLADES & RANKINGS

One of the India's Best Engineering Colleges.... by INDIA TODAY GROUP

Challenging and conducive Learning Environment

- Problem solving approach to learning
- Individual Mentoring and guidance from faculty
- Modern class rooms and labs
- State of the art hardware, software and digital learning management systems
- Team approach to innovation and creativity
- Fun filled Academic Engagements
- Digital Library with 2700+ e-books.

INDUSTRIAL CONNECTIVITY

1. Industry links with firms across multiple domains
2. Guest Lectures from industries for every course
3. Industrial Training (Internship) for students

CAMPUS AMENITIES

Hostels within the campus and Separate accommodation for International Students Outside Campus. Food Court, Bank, Travel Agency, Courier Service, Bookstore, Gymnasium, Billiards Table tennis, Health Centre, Indoor & Outdoor games

OVERALL PERSONALITY DEVELOPMENT

- Soft Skills part of our Curriculum

EXTRA CURRICULAR OPPORTUNITIES

- World class sporting facilities, Expert coaching for various games, Inter-Collegiate National and International level cultural Festival 'Colours' and Technical Fest , 'VEDA' conducting every year.

ISD - International Students Day.

Aditya - Makes a World of Difference!

Learning in Nature's Class

"Green Learning Environment"

Away from the hustle-bustle of the city life Aditya Technical Campus sprawls over 180 acres. The campus built within a rural setting of lush green fields, splendid avenue of trees, aesthetically carpeted lawns and flowery shrubs presents a captivating spectacle.

Secure Campus

"No issues! No worries!"

Absolute security is the integral part of Aditya's service in the education sector. 'Aditya's Vigilant Team' deputed at all campus locations ensures safe academic ambience with its dedicated team of professional security officers and personnel under the supervision of Chief Security Officer and Total campus under surveillance of CC Cameras

Festivals

"Life is fuller and richer"

VEDA

Technical festival is conducting every year in the month of September

COLOURS

Youth festival is organizing every year in the month of January

Pharma Feiringer

is Celebrating in the third week of November

International Students' Day

is Celebrating in the month of March

Sports Day

is Celebrating in the month of August

Philanthropic activities

"Passion for Compassion"

The NSS wing of the college aims to nurture social awareness among students through various events like -

- Blood Donation Camps
- Swachh Bharat
- Tree plantation
- Rural development Camps
- Adoption of villages
- Food and cloth distribution during natural calamities etc.

Aditya Leo Club

• Leo Club, a self-funded youth organization of Lions Clubs International, to develop leadership qualities by participating in social service activities. It aims at:

- Conducting Awareness programs and workshops.
- Fundraising programs for Orphanage & Old age homes.
- Maintaining Old books & Clothes Collection stall.

Unnat Bharat Abhiyan

Students participate in Unnat Bharat Abhiyan, a national programme inspired by the vision of transformational change in rural development processes through participatory processes and appropriate technologies.

Facilities

"What not? Everything is here!"

Bank and ATMs

Syndicate Bank facilities are available on the campus. All the students and staff can make use of banking services with ease saving their time and effort.

The campus houses 6 ATMs

1. TATA INDICASH - 4 ATMS
2. SYNDICATE BANK - 2 ATMS

Canteens

Separate canteens are run for North Indians and South Indians. Both the canteens can conveniently accommodate 300 students each at a time. The canteens are provided with state-of-the-art cooking facilities with RO water.

Food Courts

Pizza or Vada, Panipoori or Bhel-poori, Chowmein or Momo - an array of sumptuous delights are

available at the food courts which are spread across the campus.

24/7 Medical Assistance

We are always on our toes as far as health or emergency is concerned. The health centre, with a full time medical officer, provides medical check - up and free clinical facilities for all the students.

Transport

With a fleet of 300+ buses, a transport facility is provided to every corner of the district for the students and staff at regular intervals, so that they can reach the institutions well in time and get back to their domiciles with a safe journey as per the schedule.

Gymnasium

Two gymnasia, one for men and one for women are provided which are well equipped with modern facilities. Qualified gym instructors are available.

Reprographic Features

Round the Clock the reprographic facilities like High speed Xerox with Computer Printouts and Line Printers are available.

Open Air Theatre

The campus has an open air auditorium, which seats 3000 for conducting various cultural activities throughout the year.

Amphitheatre

Aditya houses a stunning Amphitheatre for entertainment and performances. It can accommodate 200 members. It is equipped with world class acoustics and state-of-the-art lighting systems.

Internet and Wi-Fi

The entire campus is well knit with 24 hours Net availability with 200 mbps leased line and Wi Fi Systems thus making sure-knowledge, information and communication are just a tab away.

Book Cafe

Aditya's Book Cafe is a multi-purpose book store that caters to the academic needs of students.

T-HUB: a perfect launch pad to the job world

• T-HUB trains students in various disciplines beyond technological labels besides equipping them with skills and creativity required for advancement in their careers. Through its various programs t-hub provides adequate opportunities for an unmatched knowledge base by imparting all necessary skills to students and makes them job ready.

- ★ T-Shaped engineer – Creates T-Shaped professionals
- ★ CODE < HEAT > – Creates the ability to learn coding more quickly
- ★ PUPA – Creates Industry- ready professionals
- ★ SKILL UP – Honing skills through collaborative partnerships with corporate giants
- ★ TARGET - Provides ample online learning material and opportunities
- ★ ASK ME – Mobile app for discussion and end-to-end solutions
- ★ INTERNSHIP – Provides Internship on the campus
- ★ SAP – Creates Complete, Cloud based learning experience for students
- ★ IOT – Creates Opportunities to develop real time applications
- ★ PROJECT HUB – Provides easy ways to manage projects and share information

Experiential Learning

All Terrain Vehicle

Go-Kart

“Be Fast, Be First”

• To enable a conducive sporting spirit and atmosphere in the students, Aditya hosts Go-Kart Championship in collaboration with SIEGER PRO for the budding engineers. Go-Kart Championship is basically an engineering event, solely dedicated to promote better engineering practices and motor sports all over India in order to provide opportunity to the engineering students to design, fabricate and conceive the go kart, breaking the traditional way and thinking out of the box. It has come up with the opportunity for all the engineering branches to participate and unveil their secluded talent. Aditya looks forward to provide a competitive environment through the event which will gear up the students for their future to cope up with different situations in different industries.

Baja SAE India

• Baja SAE India is the most significant inventive of Aditya to hone the experiential learning of young engineering students. It is the first of its competition throughout of the country. Baja SAE India is an intercollegiate design competition run by the Society of Automotive Engineers India (SAE). Teams of students from various colleges and universities all over the country design and build small off-road cars. Our teams bagged all India 43rd rank, 51st rank and 56th rank in e BAJA in the last two consecutive years 2017 & 2018. The participation has increased extensively and continues to soar through the years.

180 Acres Lush Green Campus

HOW TO APPLY?

Applicants must read and understand all the information published in the international Booklet and institute website from time to time. Applicant can apply for admission online by following the below mentioned basic steps:

- Step 1 Register yourself by visiting www.aditya.ac.in/international
- Step 2 Fill the Application Form and submit with necessary transcripts & national identity proof
- Step 3 Receive an "Offer Letter" within 3 working days (if eligible)
- Step 4 Submit Provisional Registration Fees as mentioned in the "Offer Letter"
- Step 5 Update the payment details and send the "Acceptance of Offer Letter" form
- Step 6 Receive an "Acceptance Letter" in 3 working days
- Step 7 Apply for student visa at the nearest Indian Embassy / Consulate (Except Nepal)

It generally takes 3-6 weeks to get the Indian Visa (If Required). It is advisable to apply for the visa accordingly and consult the Indian High Commission / Indian Embassy in the concerned country. For more details or for any kind of assistance, contact: +91 - 96761 15608 / 70360 36664 or write to us at global@aditya.ac.in.

Why Choose Aditya?

Academically strong campus with one of the biggest and Best Infrastructure provider in South India

60,000+
Students

900+
International Students from 23 countries

6,000+
Staff

20,000+
Alumni

60+
Institutions

7,500+
Placements in 2018-19
